

One of the UK's fastest growing technology firms

LMAX™

E X C H A N G E

GROUP

*The global, high-growth,
award-winning financial technology company*

LMAX Exchange Group technology delivers a transparent, neutral, global marketplace for all participants.

The **LMAX Exchange Group** is a global, high-growth, award-winning financial technology company.

Our **revolutionary, minimalist technology** delivers one global marketplace for FX - through exchange infrastructure in London, New York and Tokyo, ensuring complete transparency, open access and a level playing field for all market participants.

As **one of the fastest growing financial technology companies** in the UK, we have a solid presence in all the major FX markets around the world, including Europe, North America and Asia-Pacific.

LMAX Exchange Group technology has also been consistently **recognised in prestigious business and financial technology rankings**, including the Deloitte Fast 50 and The Sunday Times TechTrack 100.

And our diverse institutional and professional client base is confirmation that our **unique vision for global FX** is transforming the world's largest financial market for the benefit of all participants.

LMAX Exchange Group companies:

The institutional exchange for global FX

As an FCA regulated MTF, LMAX Exchange offers institutional clients the ability to trade on a central limit order book with streaming no 'last look' limit order liquidity from top tier banks and non-bank institutions.

The FCA regulated broker for global FX

LMAX Global offers brokers and professional traders the ability to trade on the LMAX Exchange central limit order book, offering tight spreads on streaming firm liquidity from top tier banks and proprietary trading firms.

The institutional crypto currency exchange

LMAX Digital is built on proven, trusted LMAX Exchange technology and enables global institutions to acquire, trade and hold the most liquid digital assets (BTC, ETH, LTC, BCH, XRP) safely and securely.

Leading the global FX industry transformation to transparent and fair execution.
