Accordingly, our Order Execution Policy will not apply. We will deem orders received via direct market access systems as specific instructions.

- (a) online via the GUI;

- (d) by speaking to us on the telephone during our Helpdesk Hours.

- (a) your Account contains sufficient resources to cover any margin required for the Order;
- (b) you are not otherwise in breach of these Terms of Business; and

Factors such as the size of your Order and liquidity available in the Instrument you wish to trade will impact whether and when it is possible to execute your Order. It may not be possible to execute your Order immediately. Please see the Trading Manual for further details.

7.3. **Acknowledging receipt.** We shall acknowledge receipt of each Order we receive and accept from you via the methods listed in Term 7.1 (How to open or close a trade).

You must familiarize yourself with the meaning and effect of the different Orders that we offer before you commence trading with us and you should only commence trading with us if you fully understand how these different Orders work.

8 TRADING

- 8.1. **Multiple trades.** Your Order may result in a number of trades being executed to fill it in whole or in part. Where multiple trades are executed to fill your Order, the price for each such trade may be different.
- 8.2. **Closing trades.** Your trade will remain open until you close the trade or we take steps to close the trade in accordance with these Terms of Business.
- 8.3. **Net positions.** If and to the extent you submit an Order to buy or sell a specific Instrument and you already have an open trade in the same Instrument in the opposite direction to the Order, we will treat that Order as an Order to close the open trade in whole or in part. If the size of the subsequent Order to buy or sell a specific Instrument exceeds the size of the open position, we will treat the Order as an Order to close the original position and create an Order to open a trade equal to the amount of such excess.
- 8.4. If you submit an Order to close some or all of your trades but do not specify which particular trades you wish to close, we shall treat that Order as a request to close such trades in the sequence that they were opened.
- 8.5. **Trades binding.** Each trade opened on your Account will be binding on you notwithstanding that by opening that trade you may have exceeded any limit applicable to your trading with us.
- 8.6. **Trade reporting.** Under applicable laws and regulations, we may be obliged to make certain information about certain trades public and to report the transaction details to competent authorities. You agree and acknowledge that any and all proprietary rights in such trade and transaction information are owned by us and you waive any duty of confidentiality attaching to the information which we reasonably disclose.

The Trading App is available for our supported mobile devices only.
- 9.2. **At your risk.** You acknowledge that the Trading App is provided by us on an “as is” and “as available” basis without any representations or warranties (whether express or implied), to the extent permitted by law, as to its compatibility, security and accuracy. The use of the Trading App and/or any material downloaded or otherwise obtained by the use of the Trading App is done at your own discretion and risk.

10 API TRADING

Where we agree to provide you with access to LMAX Global, LMAX Exchange or any other Liquidity Pool through our API, the terms upon which we agree to make that service available will be set out in our API Agreement.

11 AVAILABLE TO TRADE BALANCE

11.1. **Base Currency.** Your Available to Trade Balance will be displayed in your Base Currency. All payments due to us will be notified to you in your Base Currency. If you make a payment in a different currency to that of your Base Currency it shall be converted to your Base Currency by our third party payment provider at the time the payment is received.

11.2. Where you open a trade in an Instrument that is not in your Base Currency, we shall during Trading Hours notionally convert:

- (a) the Margin Required;
- (b) the open profit/loss;
- (c) any realised profit/loss for the period before it is converted back to your Base Currency; and
- (d) any charges including commission and financing adjustments

for that trade to your Base Currency using our prevailing exchange rate for that purpose. Your Available to Trade Balance and its components will therefore be valued in your Base Currency at all times during Trading Hours. Your trade will not actually be converted into your Base Currency until after the trade is closed which means that you will continue to bear the risk of any changes in the exchange rate until the actual conversion takes place.

11.3. Unless we have specifically agreed otherwise, for all trades relating to CFD Contracts or Commodity Contracts, we will convert to your Base Currency:

- (a) the realised profit/loss for a trade in an Instrument that is not in your Base Currency on the next Business Day after the trade has been closed;
- (b) any charges in respect of that trade on the next Business Day after such charges are incurred

using our prevailing exchange rate for that purpose.

11.4. Unless we have specifically agreed otherwise, for trades relating to FX Contracts, we will convert to your Base Currency:

- (a) the realised profit/loss where such profit/loss is not denominated in your Base Currency on the next Business Day after your trade has been closed; and
- (b) any charges in respect of that trade on the next Business Day after such charges are incurred

using our prevailing exchange rate for that purpose.

- 11.5. **Deficit.** You must not allow your Available to Trade Balance to move into deficit. It will move into deficit if the sum of your cash balance plus profits on your open trades falls below the sum of the losses on your open trades and the Total Margin Required.
- 11.6. Your Available to Trade Balance may move into deficit at any time, including if:
- (a) you incur unrealised losses on one or more of your open trades;
 - (b) the Margin Factor relevant to one or more of your open trades increases;
 - (c) cash debits are applied to your Account (for example, in respect of realised losses, commission, financing charges or corporate action adjustments); or
 - (d) a foreign exchange rate moves against you.
- 11.7. It is your responsibility to monitor your Available to Trade Balance at all times in order to prevent it from moving into deficit. If you have any working Orders and/or open trades, and you are aware you will not be able to monitor these for any period of time, you may consider paying additional funds into your Account to counter any unfavourable Instrument movement so as to reduce the risk of your Available to Trade Balance moving into deficit.

12 PROFITS/LOSSES

- 12.1. **Calculation.** Upon closing your trade, the profit or loss for that trade will be the difference between the Opening Price and the Closing Price multiplied (a) by the number of contracts traded and (b) by the contract size.
- 12.2. **Account credit.** Your Account will be credited with the difference if your trade is:
- (a) a Sell and the Closing Price of the trade is lower than the Opening Price of the trade; or
 - (b) a Buy and the Closing Price of the trade is higher than the Opening Price of the trade.
- 12.3. **Account debit.** Your Account will be debited with the difference if your trade is:
- (a) a Sell and the Closing Price of the trade is higher than the Opening Price of the trade; or
 - (b) a Buy and the Closing Price of the trade is lower than the Opening Price of the trade.
- 12.4. **Trade partially closed.** If a trade is partially closed, the above provisions shall apply to such part of the trade as may be closed on each occasion.

13 MARGIN REQUIRED

- 13.1. **Calculation.** For us to accept an opening Order from you, your Available to Trade Balance will normally be required to contain sufficient resources to cover the Margin Required. The Margin Required to place an Order to open a trade is calculated by multiplying the notional value of that trade with the Margin Factor for the relevant Instrument.
- 13.2. While a trade is open, the Margin Required will be calculated as described in Term 13.1 (Calculation) above, except that the notional value will be based on the prevailing bid price shown (Buy trades) or ask price shown (Sell trades) on LMAX Exchange to close such a trade. The Margin Required is therefore not a fixed figure and will move in step with the prevailing bid and ask prices shown to close the trade.
- 13.3. If you are working multiple Orders to open new trades in the same Instrument and/or if you have multiple open trades in that Instrument, the Margin Required will be the greater of the Margin Required on:
- (a) your total Orders to open Buys plus your total open Buys in that Instrument; and
 - (b) your total Orders to open Sells plus your total open Sells in that Instrument.

A worked example of how Margin Required is calculated in these circumstances is set out in the Trading Manual.

- 13.4. **Standard Position Size.** The Margin Required for your open trades may increase if you open one or more trades in the same Instrument such that your total trade size is in excess of the published Standard Position Size for that Instrument. Before you place an Order to open a trade that will exceed the Standard Position Size, you should ensure you understand how this will impact your Margin Factor. If you are in any doubt as to how the Margin Factor operates in this circumstance you should telephone us for an explanation.
- 13.5. **Increase in Margin Factor.** We may increase our Margin Factors in relation to one or more of your open trades without notice to you in the following circumstances:
- (a) at any time if you have no open trades or working Orders;
 - (b) if the Margin Factor or its equivalent for our trade is increased;
 - (c) in the circumstances set out in Term 13.4 (Standard Position Size) above;
 - (d) if we reasonably anticipate, or if there actually occurs, excessive volatility in the currency of the relevant Instrument;
 - (e) if trading is suspended in the Instrument in which you have an open trade;
 - (f) if we reasonably believe, having regard to all the circumstances applicable to your trading with us (including circumstances where we become aware of adverse changes in your financial position) it

is necessary to do so in order to give us an increased level of security against the possibility of losses being realised on the closure of your open trades; or

- (g) following a Force Majeure Event or any corporate action taken by the issuer of any security referenced in a CFD Contract.

13.6. Any increase in a Margin Factor will be effective immediately. Any such increase will apply to existing open trades on your Account as well as to any new trades. - (o) we reasonably believe that any one or more of the circumstances set out in Terms 23.1 (a) to (n) above is likely to happen or in any other circumstance where we reasonably believe that it is necessary or desirable to protect us or all or any of our other clients.

23.2. **Consequences.** If an Event of Default occurs then, without prejudice to any other rights we may have against you, we shall be entitled, but not obliged, and without prior notice to you, to do any one or more of the following:

- (a) cancel any or all of your working Orders and/or close any or all of your open trades in whole or in part. The closure of your open trades will be done by starting to work Orders to close our trades. Your attention is drawn to Term 7.2 (Accepting Orders) concerning delays;
- (b) exercise our rights of set-off under these Terms of Business, retain any funds, investments (including any interest or other return due thereon) or other assets due to you, and sell them without notice to you at such price and in such manner as we, acting reasonably, decide. We may apply the proceeds of such sale to discharge the costs of sale and the sums owing to us, including any other liability or obligation you may have to us (including any contingent or prospective liability);
- (c) close all or any of your Accounts held with us, and/or refuse to accept any further Orders from you or otherwise undertake any trading with you and/or disable your access to the Software Trading Tools.

23.3. We are under no obligation to draw your attention to the fact that an Event of Default has occurred or give you any opportunity to remedy it.

24 INDEMNITY AND LIABILITY

24.1. **Death, personal injury or fraud.** We do not seek to exclude our liability to you for death or personal injury or for any losses caused by our fraud.

24.2. **Indemnity.** You will indemnify us, and keep us indemnified on demand, in respect of all liabilities, losses or costs of any kind or nature whatsoever that may be incurred by us as a result of any failure by you to perform any of your obligations under these Terms of Business. This includes our reasonable legal costs in seeking to enforce our rights under these Terms of Business.

- 24.3. **Losses on your Account.** You will be responsible for all losses on your Account if you act fraudulently or if you allow another person to use your Account, whether you allowed that person to use your Account expressly or whether they were able to do so as a result of your negligence.
- 24.4. **LMAX and Client Systems.** As set out in Term 20, our LMAX Systems are generally accessible through a public network such as the Internet. Your use of such LMAX Systems is therefore not immune to failure and may from time to time fail to operate satisfactorily or at all as a result of issues occurring to the systems infrastructure of such networks beyond our reasonable control. We make no warranty, representation or guarantee with respect to the quality, suitability, availability or reliability of any LMAX Systems or Client Systems you use to connect and access our services. All warranties, conditions, terms and undertakings, express or implied, statutory or otherwise, in relation to the provision of LMAX Systems or the use of the Client Systems are hereby excluded to the maximum extent permitted by law.
- 24.5. We hereby expressly exclude all liability in respect of loss or damage arising from, or in connection with, your inability to connect to and access our services using an LMAX System, except to the extent such loss or damage is caused by our wilful conduct or fraud or where such exclusion of liability is not permitted under applicable law. Furthermore, we are not liable to you for any (a) loss of profit (or expectation of profit), business revenue or anticipated savings; (b) loss of information, interruption to business or damage to goodwill; or (c) indirect, consequential or special loss, howsoever arising.
- 24.6. In the event of a delay or defect in or failure of the whole or any part of an LMAX System or Customer System used to access our services, please immediately contact us to report such delay, defect or failure. In these circumstances, we shall carry out your trading instructions where it is in our reasonable control to do so.
- 24.7. Provided, in all cases, that we have taken reasonable care and skill in the performance of our services and in carrying out our obligations under these Terms of Business, neither we nor any Related Person will have any liability to you in relation to any loss you may have suffered caused by:
- (a) any act or omission of ours under these Terms of Business;
 - (b) any inaccuracy or error in any information given to you, (including without limitation, information relating to any of your working Orders or trades with us); or
 - (c) any computer viruses, worms, software bombs or similar items are introduced into your computer hardware or software via the LMAX Systems.
- 24.8. **No limit on losses.** You acknowledge that neither any limit set on your Account nor any amount of margin you have paid to us or which is payable by you to us puts a limit on your potential losses in respect of any trade or series of trades you enter into with us.
- 24.9. **Digital Currency Forks.** In relation to Digital Currency CFDs, you agree that the underlying protocols and software for blockchain networks are not in our control and are subject to sudden changes in operating rules

which can result in the division or split of a digital currency into two or more non-fungible digital/crypto assets (“Fork”). In the event of a Fork, you agree that we shall have the sole discretion to take any action with or without any advance notice to you, notwithstanding that we are under no obligation to take such action.

- (k) execution, delivery and performance of these Terms of Business and each Order and trade will not violate any law, ordinance, charter, by-law or rule applicable to you, the jurisdiction in which you are resident or from which you are placing an Order, or any agreement by which you are bound or by which any of your assets are affected; and
- (l) you will provide any regulatory body, any relevant tax authority or LMAX Exchange or any Liquidity Pool with information that is reasonably requested from you in relation to your trading with us.

25.2. **Repetition and Event of Default.** You agree that each of the representations and warranties in Term 25.1 (*Representations and Warranties*) shall be deemed repeated each time you submit an Order to us. **You must advise us immediately if you cannot give such representations and warranties at any time.** A failure to so advise us and breach of any one or more of the representations and warranties set out above is an Event of Default under Term 23.1(i) (*Event of Default*).

26 MARKET ABUSE

26.1. **Obligation.** You agree not to:

- (a) submit an Order to open, and warrant and represent that you have not opened, a trade with us in connection with a placing, issue, distribution or other analogous event, or an offer, take-over, merger or other analogous event, in which you are involved or otherwise interested;
- (b) submit an Order, and warrant and represent that you have not submitted an Order, to open or close a trade that contravenes any primary or secondary legislation or other law against insider dealing, market manipulation, market conduct or any behaviour deemed to be market abuse;

- (d) submit any Order that is artificial or fictitious or place an Order that is designed to give the market a false or misleading impression as to the supply or demand, value or price of an Instrument; and
- (e) act or engage in any conduct which is likely to damage the fairness, integrity, proper functioning or orderliness of LMAX Global, LMAX Exchange or any other Liquidity Pool.

26.2. **Repetition.** You agree that each of the representations and warranties set out in Term 26.1 (*Obligation*) shall be deemed repeated each time you submit an Order to us or open or close a trade with us. **You must advise us immediately if you cannot give such representations and warranties at any time.** A breach of any one or more of the representations and warranties set out above is an Event of Default under Term 22.1(i) (*Event of Default*).

26.3. **Consequences of breach or suspected breach.** If (a) you open any trade in breach of the representations and warranties given in this Term 26 (*Market Abuse*), or (b) we have reasonable grounds for suspecting that

you have done so, we may in our absolute discretion and without being under any obligation to inform you of our reason for doing so, close that trade and any other trades that you may have open at that time and prevent you from opening further Orders on your Account. The following will apply to any trade closed for such breach or suspected breach:

- (a) you shall remain liable for any loss on such trade; and
- (b) we may withhold any payment that may have otherwise been due to you in respect of a profit on such trade unless and until you produce such evidence as we may reasonably require to establish that you have not committed the breach of warranty and/or misrepresentation the suspicion of which was the ground for closing your trade. If you do not produce such evidence within the period of six months from the date on which such trade was opened, you shall not be entitled to any profit from any such trades.

- 26.4. **Speculative instruments.** You acknowledge that the trades in which you deal with us are speculative instruments and you agree that you will not submit any Orders to us nor open any trades with us in connection with any corporate finance style activity.
- 26.5. **Surveillance and cooperation with the regulator.** We may, and in some cases we are obliged to, monitor all trading activity that takes place through our systems and report to any relevant regulatory authority details of any Order submitted by you or trade entered into by you.
- 26.6. **Rights and remedies.** The exercise of any of our rights under this Term 26 (Market Abuse), shall not affect any of our other rights under these Terms of Business.

27 FORCE MAJEURE EVENTS

- 27.1. **Determination.** If we determine that a Force Majeure Event has occurred, we may, without notice, acting reasonably at all times,
- (a) suspend or modify the application of all or any of the Terms of these Terms of Business to the extent that the Force Majeure Event makes it impossible or impracticable for us to comply with the Term or Terms in question; and/or
 - (b) close any or all of your working Orders and close all or any of your open trades in whole or in part.

28 SUSPENSION

- 28.1. **Calculation of Margin Required.** If at any time trading on LMAX Exchange is suspended in any Instrument in which you have an open trade, you will not be able to close that trade on LMAX Exchange and unless we are able to obtain a reasonable price from another Liquidity Pool at which to close your trade, the prevailing price for the purposes of calculating the Margin Required for that open trade shall be:

- (a) in the case of a Buy trade, the bid price on the LMAX Exchange shown prior to the time of suspension;
- (b) in the case of a Sell trade, the ask price shown prior to the time of suspension; or
- (c) the price, if different to the above, that LMAX Exchange uses from time to time for the purposes of calculating the Margin Required in respect of our trade.

- 28.2. **Increase in Margin Factor.** We may at any time increase the Margin Factor applicable to your open trade if the Instrument in which you have an open trade is suspended.
- 28.3. **Closing of open trades.** If at any time during the period of suspension our trade is closed on LMAX Exchange or using a Liquidity Pool, we shall close your open trade at the same price.
- 28.4. **Dealing with Orders post suspension.** If you have a trade that is affected by the suspension open at the time that suspension is lifted, which for the avoidance of doubt, can occur without warning or notice to us (and thereby you), any Orders that you may have given us with respect to that trade will be executed upon the termination of the suspension in accordance with the provisions of these Terms of Business. We cannot guarantee that Orders will be executed at the first available price upon the termination of the suspension.
- 28.5. **Charges.** Notwithstanding the suspension of trading in any Instrument, all commission, funding, borrowing and other charges which may be due in relation to your trade shall continue to be due and payable in accordance with the provisions of these Terms of Business.
- 28.6. **CFDs – issuer insolvency.** If a company, whose securities represent part of the subject matter of the Instrument you are trading, goes into insolvency, is otherwise dissolved or is delisted by any relevant Trading Venue by reason of the length of its suspension, your trade with us will be closed at the same time and at the same price that our trade is closed on the relevant Trading Venue.

29 COMPLAINTS PROCEDURE

- 29.1. **How to make a complaint.** If you wish to make a complaint against us, you should advise us of the complaint immediately. In order to allow us to investigate your complaint promptly and effectively, please provide us with full details of the circumstances giving rise to your complaint including, if applicable, details of the time and date of any relevant actual or purported trade. We reserve the right not to commence investigations until such details are provided. We will investigate the complaint promptly and fully in accordance with our complaints handling procedure.

- 29.3. **Right to cancel or close trade.** If your complaint relates to a working Order or open trade we reserve the right to cancel the Order or close the trade if we believe, acting reasonably at all times, this is desirable in order to limit the loss that potentially could arise if the working Order or trade is filled or closed out at a future date. We shall not be liable to you for any loss you may suffer as a result of us taking such action. Any working Orders or open trades that are closed by us in an attempt to mitigate future loss will not affect your rights to pursue your complaint and to claim for any loss suffered prior to cancellation or closure.
- 29.4. You will be liable for any loss that may occur in the future relating to the working Order or open trade that is the subject of your complaint, unless we or the court determine otherwise, and to this end you are strongly recommended to give consideration to cancelling or closing yourself any working Orders or open trades to which your complaint is directed in order to limit the loss that potentially could arise if the working Order or open trade is filled or closed out at a later date.

30 DATA PROTECTION AND PRIVACY

- 30.1. **Personal Information** Personal Information collected by us is treated as confidential and is protected by the Data Protection Act 2017. We collect, hold, use and disclose your personal information in accordance with our Privacy Policy.
- 30.2. **Privacy Policy and Cookie Policy.** Our **Privacy Policy** sets out the terms on which we process any personal data we collect from you, or that you provide to us, and our **Cookies Policy** provides information on the cookies we use and the purposes for which we use them. Our **Privacy Policy** and **Cookies Policy** are available on our Website. If you do not wish us to so contact you for any direct marketing activities, you must inform in writing either by email or post. Our email address and postal address (which is also our registered address) is at the back of these Terms of Business.

31 CONFIDENTIALITY

- 31.1. **Obligation.** If either you or us (including any of our Related Companies) receive Confidential Information, that recipient agrees with the other party:
- (a) to treat such information as confidential;

- (b) not, without the disclosing party's prior written consent, which is not to be unreasonably withheld, to communicate or disclose any part of such information to any person except to: (i) its representatives, any prime broker, any Liquidity Pool or clearing house and other suppliers who are directly involved in trading with you or us; or (ii) the recipient's auditors, professional advisors and any other persons or bodies having a legal right or duty to have access to, or knowledge of, the Confidential Information in connection with the business of the recipient;

- (c) independently developed by the recipient without access to or use of the Confidential Information; or
- (d) lawfully received from a third party (with full right to disclose); or
- (e) trade data which has to be disclosed to any relevant regulators or government authorities.

31.3. Either party may disclose any Confidential Information if obliged to do so in order to comply with applicable laws or regulations, including following a request from any competent court, regulator or similar governmental authority. To the extent it is legally permissible to do so, such party will promptly notify the other party in writing of such obligation on request.

32 MISCELLANEOUS

32.1. **Rights and remedies.** Our rights and remedies under these Terms of Business will be cumulative, and our exercise or waiver of any right or remedy will not preclude or inhibit the exercise of that or any other or additional right or remedy in the future. Our failure to enforce or exercise any right under these Terms of Business will not amount to a waiver or bar to enforcement of that right in the future. Our failure on one or more occasions to enforce or exercise our right to insist on any payment strictly in accordance with the provisions of these Terms of Business will not amount to a waiver or bar to enforcement of such provisions.

- 32.2. **Transfer.** You agree that we may transfer by novation all our rights, liabilities and obligations under these Terms of Business (including all trades governed by it) to any Related Company. We will notify you of such transfer at least 10 Business Days before it is due to come into effect. - 32.3. **Invalid or unenforceable provisions.** If any provision or part of any provision in these Terms of Business should be found by any court or other body to be invalid or unenforceable, that finding shall not affect the validity of any other part of these Terms of Business. If any provision is found to be invalid or unenforceable, but can be rendered valid and enforceable by the deletion of any part of it, you agree with us that the provision will apply subject to such part or parts of it as may be necessary being deleted so as to make it valid and enforceable.
- 32.4. **Third party rights.** Unless expressly provided in these Terms of Business, none of the terms are enforceable by any person who is not a party to them.

33 AMENDMENTS

- 33.1. **These Terms of Business.** The version of these Terms of Business posted on the Website is the version in force at any given time. We may amend any of the terms of these Terms of Business at any time. Any amendment will be made by posting the amended version of these Terms of Business on the Website. Any amendment will be effective as from the effective date as published on the Website and it will apply to all working Orders and all new and existing trades as from the effective date. The effective date will, where reasonably practicable, be at least 10 Business Days after the date of posting. We will inform you of the posting on the Website of any amended version of these Terms of Business, and the date upon which it becomes effective. We will not send you a paper copy of any new version unless you request that we do so. You must make sure that, before submitting an Order, you are happy for such Order and any subsequent trade to be governed by the latest version of these Terms of Business.
- 33.2. **Risk Warning Notice, Trading Manual and Order Execution Policy.** Save as where otherwise provided for in these Terms of Business, we may amend the Risk Warning Notice, Trading Manual and Order Execution Policy at any time. Any such amendment will be operative immediately and will apply to all Orders and all new and existing trades thereafter. We shall endeavour to give you notice of amendments to our Risk Warning Notice and Trading Manual prior to them becoming operative by posting the amended version of the affected document on the Website but this may not always be possible. We will notify you of any material changes to our Order Execution Policy. We will not notify you of non-material changes.

34 TERMINATION

- 34.1. These Terms of Business may be terminated by either party upon giving the other party written notice of termination, which will take effect immediately, unless otherwise specified in the notice. Any such termination will not affect any obligation that may already have been incurred by either party in respect of any outstanding trade or any legal rights or obligations that may already have arisen under these Terms of Business or any dealings made thereunder. Upon termination, all open trades will be closed unless otherwise agreed by us. All sums due from you to us will become immediately payable.
- 34.2. Whether or not you have entered into these Terms of Business by distance means, you are not entitled to cancel these Terms of Business (but you can terminate it in accordance with the provisions set out in this Term).
- 34.3. LMAX Mauritius is likely to terminate these Terms of Business immediately by written notice where:
- (a) you are subject to any financial sanctions under any applicable laws or regulations;
 - (b) we are required to terminate these Terms of Business under any applicable laws or regulations;
 - (c) we have reasonable grounds to suspect you are or have engaged in any fraud or financial crime or market abuse, or are otherwise using any service or facility provided under these Terms of Business to pursue or further any crime or breach any regulatory requirements imposed on you or us;
 - (d) you have materially and seriously breached any term of these Terms of Business.

35 GOVERNING LAW

These Terms of Business and each trade entered into with you is in all respects governed by the laws of Mauritius and the courts of Mauritius will have the non-exclusive jurisdiction to settle any disputes arising out of or in connection with these Terms of Business (including a dispute or claim relating to any non-contractual obligation arising out of or in connection with these Terms of Business). Each party agrees to waive any objection to the courts, whether on the grounds of venue or that the forum is not appropriate. Nothing in this Term will prevent us from bringing proceedings against you in any other jurisdiction.

Schedule 1 - MT4 Platform Schedule

This MT4 Platform Schedule (**MT4 Schedule**) forms part of our Agreement and amends and supplements our Terms of Business in the event you choose to trade by using the MT4 software trading tool. All terms used herein and in the Terms of Business shall have the same meaning as in the Terms of Business unless otherwise defined herein. If there is an inconsistency between the Terms of Business and the MT4 Schedule, the terms of the MT4 Schedule will prevail in respect of any trades carried out using the MT4 software trading tool (**MT4 trades**).

The terms and conditions of the MT4 Schedule will apply once you open an account to trade by using the MT4 software trading tool (**MT4 Account**).

1 DEFINITIONS

The following words and expressions shall be defined as follows:

Available Margin Balance has a similar meaning as Available to Trade Balance for trades executed outside of the MT4 software trading tool except for the definition of Total Margin Required. In the MT4 software trading tool, it is referred to as **Available Margin** or **Free Margin**.

Daily Statement means a contract note which we will send to you confirming the details of all the trades open and closed on your MT4 Account on a Business Day.

Margin Close Out Level means the percentage of Total Margin Required you must maintain in your MT4 Account to prevent your open trades from being closed.

Margin Covered Percentage means the percentage of Total Margin Required that is being covered by the cash and open trades in your MT4 Account at any given time and calculated as (a) the aggregate of your cash balance, less commission and swap charges on any open trades, plus profits on your open trades, less the aggregate of the losses on your open trades expressed as a percentage of (b) the Total Margin Required.

Margin Requirement for MT4 trades means the margin as calculated in accordance with the MT4 Schedule.

Maximum Trade Size means a limit restricting the maximum size of an individual Order for a particular asset class of an Instrument traded on the MT4 Client Terminal, which may be amended by us in our absolute discretion and is published in the MT4 Trading Manual.

MT4 Client Terminal means the interface which allows you to transact on your MT4 Account.

MT4 Server means a third party hardware managed by us, which processes and transmits all market data and trades between the MT4 Client Terminal and LMAX Exchange.

MT4 Trading Manual means the trading manual that provides more information and worked examples on our trading services when using the MT4 software trading tool to trade.

Third Party Equipment means the MT4 Client Terminal, the MT4 Server, any other hardware, software and/or customised interface which enable or are linked to your MT4 Account.

Total Margin Required for MT4 trades, means just the margin required for your open trades and does not include any margin for working Orders as for trades executed other than through MT4.

2 TRADING MANUAL

All references in the Agreement to the Trading Manual shall, for MT4 trades, be read as if they were references to the **MT4 Trading Manual**.

3 PRICES

Where we have filled your Order by executing a number of trades, the MT4 Server will report a weighted average fill price for the opening or closing trade on your MT4 Account.

4 ORDERS

- 4.1. **How to submit an Order.** The first paragraph of Term 7.1 of the Terms of Business does not apply to MT4 trades. You may submit an Order for a MT4 trade:
 - (a) online via the MT4 Client Terminal; or
 - (b) via other MT4 Software Trading Tools (such as MT4 supported mobile applications); or
 - (c) by speaking to us on the telephone during our Helpdesk Hours.
- 4.2. **Acknowledging receipt.** Term 7.3 of the Terms of Business does not apply to MT4 trades. We shall acknowledge receipt of each Order we receive and accept from you via the MT4 Server. This will show on the MT4 Client Terminal.
- 4.3. **Trading Hours.** If we receive an Order from the MT4 Server outside of Trading Hours, that Order will be rejected. Trading Hours for each Instrument that we offer to trade can be found in the MT4 Trading Manual.
- 4.4. **Position and Size Limits.** In addition to our discretion to set a Maximum Position Size, we may in our absolute discretion set Maximum Trade Sizes for your MT4 Account.
- 4.5. **Order routing.**
 - (a) When trading via the MT4 Client Terminal, all Orders submitted by you are immediately sent to the MT4 Server. If you submit a Market Order, then upon receipt of your Order, the MT4 Server transmits the Order request to LMAX Exchange as a Market Order.

- (b) If the Order is sent as a working Order, then after receiving your Order, the MT4 Server will wait until such time that the Order is triggered and submit the Order request to LMAX Exchange as a Market Order. If you choose to cancel a working Order prior to it being filled, it will be deleted from the MT4 Server.

5 TRADING

- 5.1. **Gross positions.** Term 8.3 of the Terms of Business does not apply to MT4 trades. If and to the extent you submit an Order to buy or sell a specific Instrument and you already have an open trade in the same size and Instrument, and you have no other trades open at the time, both buy and sell MT4 trades will stay open and, although you will continue to have an exposure to price movement on both legs, you will have a hedged position. The margin on your MT4 Account will be zero. If, however, the size of the subsequent Order to buy or sell a specific Instrument is less than or exceeds the size of the original Order, a partly hedged position will be created on your MT4 Account. The margin on your MT4 Account will reflect the part of the trade that is not hedged.
- 5.2. **Closing MT4 trades.** In order to close an open trade on your MT4 Account, you will need to select and individually close each of the trades that have been originally opened on your MT4 Account. The Orders to close the trades will be sent to the MT4 Server in the order you chose to close them. The MT4 Server will send these Orders to LMAX Exchange. Failure to select an open trade to close may result in a hedged position being created on your MT4 Account.

6 AVAILABLE TO TRADE BALANCE

- 6.1. All references in the Terms of Business to **Available to Trade Balance** shall, for the MT4 Platform, be read as if they were references to **Available Margin Balance** or **Free Margin**.
- 6.2. **Deficit.** You must not allow your Available Margin Balance to move into deficit. It will move into deficit if the sum of your cash balance plus profits on your open trades falls below the sum of the losses on your open trades and the Total Margin Required.
- 6.3. Your Available Margin Balance may move into deficit at any time, including if:
 - (a) you incur unrealised losses on one or more of your open trades;
 - (b) the Margin Factor relevant to one or more of your open trades increases;
 - (c) cash debits are applied to your MT4 Account (for example, in respect of realised losses, commission, financing charges or corporate action adjustments).
- 6.4. It is your responsibility to monitor your Available Margin Balance at all times in order to prevent it from moving into deficit. You may monitor your Available Margin Balance online through the MT4 Client Terminal. If you

have any working Orders and/or open trades, and you are aware you will not have access to your MT4 Account for any period of time, you may consider paying additional funds into your MT4 Account to counter any unfavourable Instrument movement so as to reduce the risk of your Available Margin Balance moving into deficit.

7 MARGIN REQUIRED

- 7.1. **Calculation.** Whilst a trade is open, the Margin Requirement will be calculated by multiplying (a) the number of contracts requested (b) by the contract size (c) by the Opening Price (d) by the Margin Factor for the Instrument. Unless the Margin Factor changes, the Margin Requirement remains fixed throughout the life of each individual trade. Where you have a partly hedged open position the Margin Requirement will be based on the residual unhedged position.
- 7.2. **Increase in Margin Factor.** We may increase our Margin Factors in relation to one or more of your open trades without notice to you in any of the circumstances set out in Term 13.5 above

8 MARGIN CLOSE OUT LEVEL

If your Margin Covered Percentage reaches or falls below your Margin Close Out Level we may but are not obliged to exercise our rights to close any or all of your open trades at any time thereafter without further notice to you. The MT4 Trading Manual has worked examples of the operation of the Margin Close Out Level.

9 YOUR ACCOUNT

- 9.1. **Our Terms of Business regarding:**
- (a) username, password and other security information (Term 5.1);
 - (b) monitoring (Term 7.8); and
 - (c) the binding nature of trades (Term 8.5);
- apply also to your MT4 Account and references to your Account shall include your MT4 Account.
- 9.2. **Base Currency.** Terms 11.2 to 11.4 of the Terms of Business shall not apply to MT4 trades. Instead the following provisions shall apply:
- (a) Where you open a trade in an Instrument that is not in your Base Currency, we shall during Trading Hours notionally convert the open profit/loss for that trade to your Base Currency using our prevailing exchange rate for that purpose. Your Available Margin Balance and its components will therefore be valued in your Base Currency at all times during Trading Hours. The value of your trade is being converted into your Base Currency at our prevailing exchange rate for that purpose.

- (b) For all trades, we will convert any of the following at our prevailing exchange rate for that purpose:
- (i) realised profit/loss where such profit/loss is not denominated in your Base Currency;
 - (ii) any commission charges in respect of that trade; and
 - (iii) any financing charges in respect of that trade.

10 SUSPENDING YOUR MT4 ACCOUNT.

Terms 15.1 to 15.2 of the Terms of Business shall not apply to MT4 trades. Instead the following provisions shall apply:

Right to suspend your MT4 Account. We may acting reasonably suspend your MT4 Account at any time and for any reason and without notice, suspend or change the username and/or password of any person authorised to trade on your MT4 Account. If your MT4 Account is suspended you will be able to close any existing trades over the telephone during our Helpdesk Hours but will not be permitted to open any new trades on your MT4 Account. The circumstances where we may suspend your MT4 Account include but are not limited to:

- (a) when we have not received information within 10 days of a request (or sooner if so reasonably required), which we believe that we require in connection with these Terms of Business;
- (b) when we have reason to believe that there has been a breach in your MT4 Account security or that there is a threat to your MT4 Account security;
- (c) when your trading activity or conduct is such that we believe acting reasonably at all times has or is likely to impair the integrity, functionality, speed or reliability of LMAX Exchange or compromise, impair, restrict or prevent the ability of LMAX Exchange to operate a fair and orderly market;
- (d) when your trading activity or conduct is such that we believe acting reasonably at all times has or is likely to impair the integrity, functionality, speed or reliability of the MT4 Client Terminal and/or MT4 Server; and/or
- (e) where Term 26 (Market Abuse) applies.

11 OUR CHARGES AND TAXES

Unrealised commission for MT4 trades will be shown on your open trade as a total amount for both opening and closing legs of the trade. The commission will be realised and taken from your MT4 Account balance after the trade is closed.

12 COMMUNICATIONS AND NOTICES

- 12.1. **Daily statement.** Rather than contract notes, on each Business Day, we will send you a Daily Statement for that Business Day, to you by email usually at the end of that day. The absence of a Daily Statement does not affect the validity of any trade. Please check your Daily Statements. If you believe that any of the details of your Daily Statements are inaccurate you should contact us immediately and in any event within 24 hours of the trade. We reserve the right to make a reasonable charge for a Daily Statement requested to be sent to you in paper form. **We strongly recommend that you print your Daily Statements and retain them as part of your records.**
- 12.2. **Confirmation on MT4 Account.** As soon as we have filled your Order and entered into a trade with you, a confirmation of the executed trade will show on your MT4 Account.

13 SUSPENSION

Term 28.1 of the Terms of Business shall not apply to MT4 trades. Instead the following shall apply:

Calculation of Margin Required. If at any time trading on LMAX Exchange is suspended in any Instrument in which you have an open trade, you will not be able to close that trade on LMAX Exchange via your MT4 Account and the valuation of your Margin Required for the open trade will stay the same as at the time the trade was opened.
