

**Access to the award-winning LMAX Exchange is now available through
FP Markets, the leading Australian broker**

London UK, March 25, 2014 – LMAX Exchange, the leading FCA regulated MTF for FX trading, is pleased to announce a partnership with FP Markets, the leading Australian online brokerage.

Access to LMAX Exchange is now available through FP Markets, delivering exchange quality execution, complete pre & post trade transparency and total trading anonymity in over 60 FX pairs with average matching speeds of 4ms and no 'last look' as standard – ensuring FX execution with optimal precision.

Matthew Murphie, Managing Director of FP Markets commented: "We are thrilled to have teamed up with LMAX Exchange as their values of fairness and transparency match our own. This relationship has enabled us to offer one of the most competitive forex trading platforms available in today's market".

Scott Johnson, Institutional Relationship Manager at LMAX Exchange, commented: "We are delighted to partner with FP Markets, an established and experienced brokerage, whose skills and capabilities are well known in the Australian market. The partnership will greatly advance the FP Markets FX offering and provide a transparent and fair trading experience for their clients."

Access to LMAX Exchange liquidity and execution through the technologically advanced and easy to use FP Markets' platforms ensures fair, transparent and efficient FX trading experience.

Notes to Editors

About LMAX Exchange:

The award-winning LMAX Exchange is the leading MTF for FX authorised and regulated by the FCA. Servicing brokers, funds, corporates, asset managers and banks, LMAX Exchange delivers a unique vision for global FX trading - a transparent, neutral, level playing field for all market participants, regardless of status, size or activity levels.

The LMAX Exchange OPEN order book is driven by streaming, non 'last look' limit orders supplied by General Member liquidity providers. LMAX Exchange offers markets in over 60 FX pairs, spot Gold and Silver, with complete pre and post-trade transparency and order execution where no 'last look' is standard. Orders are executed in strict price/time priority at an average speed of 4ms.

LMAX Exchange has been credited in the marketplace for being the first to have launched a truly exchange-style trading model with order matching based on price/time priority that provides pre-trade anonymity but full post-trade transparency.

About FP Markets

FP Markets (FPM) is an award-winning company that has earned a stellar reputation for providing Contracts for Difference (CFDs), one of the most popular financial trading instruments in Australia, through Direct Market Access.

An Australian-owned company, FPM was created by seasoned industry professionals with extensive experience in the field and who share a commitment to servicing a broad range of clients, from part-time traders to professionals and institutions.

As a global leader for DMA CFDs, we use our combined depth of experience to understand the needs of our clients and provide exceptional service matched with the best products available.

Since commencing trading in 2005, we have become a major player in the CFD market through our Direct Markets Access (DMA) pricing model, great commission rates, exceptional trading platform and outstanding client service. We were responsible for making Direct Market Access CFDs easily available to retail and professional clients at competitive commission rates in Australia.

In Australia, FPM is one of the most awarded companies in the industry, winning awards from Smart Investor, Investment Trends, Money Magazine, and The Bull and a 5 star rating from CANSTAR CANNEX.
