

LMAX Exchange wins Best FX Trading Venue (ECN/MTF) for the fifth year running

London, 14 February 2017 - LMAX Exchange, the leading FCA regulated MTF for global FX trading and one of the UK's fastest growing technology firms has been recognised as the 'Best FX Trading Venue (ECN/MTF)' for the fifth year running at the Fund Technology and WSL Awards 2017 in New York.

The Fund Technology and WSL Awards recognise and reward technology firms, servicing asset managers and institutional traders, that have demonstrated exceptional innovative product development and service excellence over the past 12 months.

David Mercer, CEO of LMAX Exchange commented: "Being named "Best FX Trading – ECN/MTF", for an unprecedented fifth year in a row is confirmation that the quality of execution delivered by LMAX Exchange is appreciated by our institutional clients. We look forward to working with more and more hedge funds in the years to come, to lower their cost of trading through superior execution and prove that open market access to public limit order books, supported by best of breed technology and unparalleled market data, is the only way to trade the world's largest asset class."

Notes to Editors

About LMAX Exchange:

Recognised as one of the UK's fastest growing technology firms, LMAX Exchange is the leading MTF for FX, authorised and regulated by the FCA. Servicing funds, banks, brokerages and asset managers, LMAX Exchange delivers firm liquidity, anonymous exchange quality execution and a secure, transparent level playing field to all market participants, regardless of status, size or activity levels.

The LMAX Exchange open order book is driven by no 'last look' limit-order liquidity from top tier banks and non-bank financial institutions. Orders are executed in price/time priority with real time streaming continuous market and trade data published to all members. Offering a comprehensive range of instruments including spot FX, precious metals, commodities and equity indices, LMAX Exchange operates a global FX exchange infrastructure with matching engines in London, New York and Tokyo.

LMAX Exchange - a unique vision for global FX
